↦ OFFICERANGE - A LEADING BRAND FOR MODERN OFFICES...

IDEAL - THE MARK OF EXCELLENCE!

CONTROLLED QUALITY
IDEAL has established a certified Quality Management System under DIN EN ISO 9001 standards.

COMPLETE SAFETY
All our products are safety tested and comply with the European CE-Standard for maximum security.

AFTER SALES SERVICE
We ensure that IDEAL products are well supported by factory-trained technicians.

YEARS OF EXPERIENCE
We have over 50 years experience in manufacturing machines for the office- a sure sign of competence.

FAST DELIVERY
IDEAL OfficeRange products are available quickly – usually within 48hrs, and are delivered free (UK mainland) on all orders over £50.

GUARANTEES
Our machines are guaranteed for 2 years, with the IDEAL TOP-GUARANTEE of 5 years on shredding machine cutting shafts.

YOUR LOCAL OFFICERANGE DISTRIBUTOR IS JUST AROUND THE CORNER, TO OFFER YOU...

LOCAL ADVICE
A team of experienced specialists is on hand to assist personally or on the phone.

WIDEST POSSIBLE CHOICE
Select from comprehensive ranges of shredders, cutters, folders, staplers, drills and printers.

HIGHEST QUALITY PRODUCTS
Only top quality professional machines for discerning businesses.

SERVICE YOU CAN RELY ON
Qualified service personnel will provide you with technical support and after-sales service.

ATTRACTIVE PRICES
Ask for our special prices for large quantity orders – even better than our special offers.

IDEAL 8560

For commercial users only. All prices ex vat.

PROFESSIONAL SHREDERS

There are over 50 models in the range of IDEAL business shredders, from personal machines for professional people to huge models for centralised use.

POWER DRILLS

These electric paper drills are for office and reprographic department use where there is a regular requirement for punching volumes of paper for filing and archiving.

OFFICE TRIMMERS & GUILLOTINES

A wide choice of office cutting machines, starting with 330mm rotary machines for light work, through table top guillotines of all sizes, to the electric 4215 model.

SYMBOLS

SHREDS PAPERCLIPS	SHREDS DVDS & CDS	SHREDS CREDIT CARDS
SHREDS FLOPPY DISKS	STRIP CUT	CROSS CUT

STAPLERS, BOOKLET-MAKERS & PUNCHING

A range of punching, stapling and bookletmaking machines for professional presentation of your printed documents.

FOLDING MACHINES

An electronic folding machine is a highly cost-effective time-saving device in busy offices and mailing rooms.

HIGH VOLUME PRINTERS

Print on paper or envelopes at 120 copies per minute. These printers are specifically designed to produce many copies of the same document at a cost substantially lower than a photocopier.

IDEAL

MADE IN GERMANY

QUALITY ASSURANCE
Ideal shredders are manufactured in Germany in ISO 9001:2000 certified premises.

IDEAL TOP-GUARANTEE

The manufacturer's guarantee for IDEAL shredders covers two years from the date of purchase. The strip cut and cross cut shredding shafts are machined from steel bars and are specially hardened to withstand constant use, including the destruction of paper-clips and staples. All shredding shafts are guaranteed for 5 years (with the exception of 0.8 x 5 mm).

SAFETY PROTECTION SYSTEM

"SPS" is a series of safety and usability features many of which exceed international safety requirements. Automatic safety stops due to 'paper jam', 'door open', or 'full' are clearly signaled by coloured lights. A transparent feed flap allows the operator to see any problems but stops the shredder immediately if opened. Other key features include automatic reverse to prevent paper jams, double motor protection against overheating, electronic door protection with magnetic proximity switch, and energy saving mode.

SECURITY LEVELS. DIN 32 757.
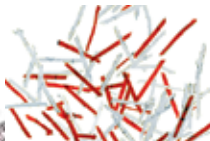

LEVEL 1.
For low security – defacing applications
Strip width ≤ 12 mm
Strip length – any ∞

LEVEL 2.
For internal security of non-sensitive documents
Strip width ≤ 6 mm
Strip length – any ∞

LEVEL 3.
For internal security of sensitive documents
Particle width ≤ 4 mm
Particle length ≤ 80 mm
Particle area ≤ 320 mm sq

LEVEL 4.
For documents with personal information
Particle width ≤ 2 mm
Particle length ≤ 15 mm
Particle area ≤ 30 mm sq

LEVEL 5.
For extremely high security requirements
Particle width ≤ 0.8 mm
Particle length ≤ 13 mm
Particle area ≤ 10 mm sq

A4 DESKSIDE SHREDDERS

IDEAL 2220

Feed opening for A4, 220 mm – Multi-function switch Forward/Stop/Reverse – Quiet 150 Watt motor – double motor protection – Bin capacity 20 litres – moulded hand grip for lifting machine from cabinet. The safety flap in the feed opening is an additional safety element to keep fingers, or other objects away from the cutting shafts. H 452 x W 345 x D 215 mm, Weight: 6 kg.

ONLY £107.80

IDEAL 2240

Feed opening for A4, 220 mm – Multi-function switch Stand-by/Stop/Reverse. Photo-cell controlled automatic Start/Stop Quiet 150 Watt motor – double motor protection – Bin capacity 20 litres – moulded hand grip for lifting machine from cabinet. The safety flap in the feed opening is an additional safety element to keep fingers, ties or other objects away from the cutting shafts. H 452 x W 345 x D 215 mm, Weight: 6 kg / 7 kg (C/C).

ONLY £185.90

IDEAL 2260

Document security for the demanding user. These models offer good performance for business managers, salesmen and consultants. Feed opening for A4, 220 mm - Multifunction switch Stand-by/Stop/Reverse. Photo-cell controlled automatic Start/Stop. IDEAL

A4 DESKSIDE SHREDDERS

EASY SWITCH:
The ˝EASY SWITCH˝ gives the operator clear information on the status of the shredder by simple to understand illuminated symbols. NEW – all models with ˝EASY SWITCH˝ are equipped with ˝ESM˝, the environmentally-friendly Energy Saving Mode.

IDEAL 2360

240 mm feed business shredder offers a capacity of up to 17 sheets at a time. With ˝SPS˝ technology and ˝EASY_SWITCH˝. Available in 4 mm strip cut or two cross cut versions covering DIN security levels 2 to 4, the IDEAL 2360 deskside shredder has a quiet 390 Watt motor, a high quality wooden cabinet on castors enclosing a permanent plastic shred bag with an enlarged, 35 litre capacity. H 630 x W 395 x D 295 mm, Weight: 19.5 kg / 20.0 kg (C/C)

ONLY £454.50

IDEAL 2403

240 mm feed shredder with powerful 580 Watt motor, offering capacities of up to 24 sheet. 4 mm strip-cut and 4 x 40 mm cross-cut models suitable for shredding CDs. Other features are the same as for model 2360. H 630 x W 395 x D 295 mm, Weight: 21.0 kg / 21.5 kg (C/C)

ONLY £577.80

IDEAL 2404

Identical to the 2403 apart from having a taller cabinet, which increases the shred bag capacity to 50 litres (which means longer intervals between emptyings). H 730 x W 395 x D 295 mm, Weight: 22.5 kg / 23.0 kg (C/C)

ONLY £610.90

IDEAL

A4 OFFICE SHREDDERS

The multifunctional "EASY_SWITCH" shows the operational status of the machine by back-lit symbols.

The latest feature – an electronically controlled feed opening increases safety as part of the "SPS".

IDEAL 2501

With their new elegant styling and full array of features, these attractive office shredders are designed for small group use. They are mobile on castors, have powerful 580 Watt motors with up to 23 sheet capacity and 260 mm feed opening. The high-quality wooden cabinet comes with a bag frame for mounting disposible shred bags (75 litres capacity for the shreds).
H 720 x W 500 x D 377 mm,
Weight: 27 kg / 27.5 kg (C/C)

IDEAL 2503

The same as the 2501, but with a taller cabinet providing considerably more capacity for the shredder paper (100 litres).
H 870 x W 500 x D 377 mm,
Weight: 30 kg / 30.5 kg (C/C)

Safety is also improved when shredding CDs on the strip-cut machines.

The 3103 and 3803 now have bag frames which slide from the cabinet on rollers.

ONLY £643.30

ONLY £774.30

"SPS" Safety Protection System:
Multifunctional "EASY_SWITCH" with illuminated symbols – Electronically controlled safety flap in the feed opening – Automatic reverse prevents paper jams – Automatic stop when shred sack is full – Automatic stop when door is opened (via magnetic switch) – Double motor protection against overheating – Energy saving mode.

Automatic Start/Stop by photocell. High-quality wooden cabinet, mobile on castors. Specially hardened shredding shafts with 5 years manufacturer's guarantee.

HIGH VOLUME SHREDDING MACHINE

PAPERBOX 'COLLECT & SHRED'

An intermediate secure storage container designed for use with centralised high-capacity shredders. It features a lockable lid with removable key, slot for safe disposal of documents and high storage volume of 125 litres. Dimensions (H x W x D): 1150 x 514 x 600 mm

IDEAL 4605

This is the ultimate office shredder for all documents, flat or crumpled, large and small. Paper-clips, floppy disks, credit cards and CDs are all destroyed effortlessly. It can be fed via the hopper or from the table or both simultaneously. The IDEAL 4605 is quiet, fast and powerful, and has an extremely small footprint. The shredded waste is collected in a plastic bag within a mobile trolley, which is simply wheeled from the front of the machine.

ELECTRONIC BOOKLETMAKERS

STAPLE & FOLD

The Bookie & Auto Bookie Pro take collated page sets and produce high quality bespoke booklets in just seconds.

AUTO BOOKIE

The Duplo Auto Bookie is the perfect solution for short-run tabletop booklet production. It fits comfortably on a desktop and is part-automated for improved productivity. It can saddle and side staple up to 12 sheets producing 48-page books and can even be used as a stand alone folding machine. H 222 x W 528 x D 500 mm, Weight: 13 kg

ONLY £809.30

AUTO BOOKIE PRO

The Auto Bookie Pro features the same benefits as the Auto Bookie but is also fully automatic with 5 pre-set sizes (6 additional bespoke saved jobs can also be stored), takes up to 15 sheets and can handle up to 60 page books. With automatic sheet size detection and a clear LCD screen to guide you through the functions, this is the ultimate in compact, easy-to-use bookletmaking.

A4 PRINTERS

Duplo make a complete range of high volume machines from table-top entry-level units to floor standing print powerhouses. Essentially, Duprinters are a printing press/photocopier hybrid combining the appearance and usability of a photocopier with the speed and printing technique of a press. They are most economical in the 50-5000 print range with a cost-per-copy as low as 0.1p.

DUPLO DP-C105

The DP-C105 is the perfect printing solution for any office environment. Despite its compact size, it offers incredibly high performance, with speeds of up to 130ppm. Print on paper, card and even windowed envelopes at 130ppm. H 625 x W 1040 x D 600 mm, Weight: 57 kg

A4 PRINTERS

COLOURED INKS

Duprinters are mono print machines but with the addition of an extra drum you can add 'spot colour' for vibrant eye-catching documents.

DUPLO DP-210E

The Duplo DP-210e is economical with Automatic Document Feeder (ADF) for sheet copying or direct printing from an optional PC interface. Even heavy stocks such as envelopes and card can be run at 125ppm.
